God made the seventh day special for us also. It is the day we go to;

Hint:

God continues each day, each  
year to carry on His creation.

And He has created ME;

These are some of the things I  
see each day as God's creation;

My family;

Pets and animals;

Flowers and trees;

Crops for our food;

Fish and birds;

This is why we must always Thank God!
